

To Whom It May Concern:

Brett Costigan has worked on my staff as Executive Pastor and Children's Pastor for over two years. Prior to that he served as a volunteer for a year and a half. Over this time, I have come to know Brett very well.

In the time I have known Brett, I have seen his faithfulness, integrity, unselfish servant-hood and Kingdom mindset. He is a visionary with amazing revelation, critical for the body of Christ, which I am confident will do much for the Lord.

While he served as Children's Pastor at my church, he finished developing *Wisdom's House* children's curriculum. We have seen great success with this in our Children's Ministry.

I am honored to be connected with him as a partner in his ministry with Wisdom's House. I look forward to a continued friendship with both he and Michelle. It is an honor to heartily endorse his ministry.
